Labor day family softball game will be on _____ @ 10AM at Butterfly Field. Bring your gloves, bats and balls for some fun with the kids. We might consider purchasing only quarter kegs for the game since on July 4th weekend most of the keg was wasted.

Hub Lakes dance is on Saturday October 4, 2008 @ Indian Lake Clubhouse from 8PM-1AM The event includes appetizers, music, door prizes, and awards. Jackets are required and the cost is \$15 per person. Sixteen attendees from Arrowhead went last year

The Partie Swim Team this year was very successful. In 2007 only 8 kids were on the swim team but that jumped to 20 kids in 2008. I believe all of the kids that participated built their confidence and showed outstanding support and sportsmanship for their teammates and other lakes team too.

Men and Woman's Volleyball have completed their games and both groups had fun bump, setting and spiking away

From all accounts the Track and field day and horseshoes teams had fun this year

Ping Pong was unfortunately cancelled due to lack of interest

Bill for hub lakes participation to be submitted next week to treasurer

The issue of non lake members playing in Hub Lakes sporting events (ringers you might call them) has been discussed thoroughly. Player rosters and addresses might need to be submitted for events (especially softball which we don't participate in) to ensure that players are actually residents on that respective lake

The hub lakes president Bill Peer said he has received reports that in certain events good sportsmanship was not displayed. He wrote the attached Good sportsmanship rules and I think it makes a lot of sense.

Lake Parsippany had an odd occurrence; they hosted an event and some kids ripped soda cans in half and buried them in their sand Volleyball courts. It seems innocent but two or three people cut open their toes when playing volleyball one day. They aren't 100% sure it happened during a hub lakes event but they were concerned about this and wanted to make sure we tell our kids about the importance of respected each individuals lakes property and safety.

Welcome to Hub Lakes 2008

GOOD SPORTSMANSHIP RULES

- 1. The "Golden Rule" -- Do unto others as you would have others do unto you.**
 - show respect for them if you expect it yourself.
- 2. Have an understanding and an appreciation of the rules.**
 - the spirit of good sportsmanship depends on conforming to the intent of the rule and not look for a loop hole.
- 3. Enjoy yourself and encourage enjoyment for others.**
 - we play sports for recreation so lets make it that.
- 4. Take responsibility for your actions.**
 - don't blame others for your mistakes or find excuses for poor behavior.
- 5. Recognize and appreciate good performances, especially by the opponent.**
 - Applause for an opponent's good play demonstrates generosity and courtesy. It shows a true awareness of the game and athletic ability.
- 6. Exhibit respect for the officials.**
 - Umpires are impartial arbitrators who perform to the best of their ability to make sure the game is played fair and within the rules. Mistakes made by all those involved are part of the game and must be accepted.
- 7. Expect proper behavior from your teammates.**
 - if you allow a teammate to cheat, to play dangerously, to argue and scream at officials, you are condoning that behavior.

Every time we go out and play, we are being watched. We may not realize it but someone, possibly a young impressionable person, is observing you and how you act. Your behavior may have a significant impact, positive or negative, on them. Maybe what they see on our arenas will set a better example for them than what they see on TV. If we all perform to the best of our abilities within the concept of good sportsmanship, we should all have an enjoyable season and possibly, just possibly, our lives may just be a little richer.

Thank you
