

Dear Neighbor,

WOW! 80 years!! That's right the Lake Arrowhead Club has built a tradition of supporting your community for 80 years. In the Post World War I period a number of families decided to build a community centered on the lakes with social and outdoor activities.

The Lake Arrowhead Club enhances our property values by maintaining its lakes and its grounds. This means treating the water, maintaining the beach and fields, and many other community improving activities that are made possible by your membership dues.

Lake Arrowhead has social events in which all families can participate.
Here are some annual activities that make Lake Arrowhead special:

- *Memorial and Labor Day All Ages Softball Game*
- *Beach BBQ*
- *Lobster Bake*
- *Potluck Suppers*
- *July 4th & Labor Day Beach Games*
- *Haunted Hay Ride*
- *Christmas Caroling*
- *Sailboat Races*
- *Sporting events*
- *Field Camp Out*
